"Systemic Conflict in Times of Digitization – the German Mittelstand under Pressure"			
Prof. Dr. Michael Hüther, Director, German Economic Institute (IW)			
14:45 h Forum I	Forum II	Forum III	
"One Million Digital Twins – Master data system and management enable Industry 4.0 for Spare Parts"	"How enterprise companies save up to 21% in E-Procurement by using eCl@ss"	"Gaining Leverage in Engineering by utilizing eCl@ss"	
Rainer Rohr, BASF SE Reinhard Pohn, Paradine GmbH	Wolfgang Lang, Crowdfocx	Markus Reigl, Siemens AG	
15:30 h Forum I	Forum II	Forum III	
"Siemens Teamcenter enables eCl@ss Advanced for Engineering"	"How to empower the mappings of standards with data science?"	"Integrated Engineering Data - Key of efficient digitalisation and new business?"	
Armin HaBe, Siemens Industry Software GmbH	Aleksandra Baumann, Camelot Management Consultants Dr. Faried Abu Zaid, Camelot Management Consultants	Michael Mönch, Siemens AG	
16:00 h Coffee Break & Networking			
16:20 h Forum I	Forum II	Forum III	
"Industry 4.0, the role of eCl@ss here and an implementation at SAP"	"Close collaboration IEC SC3D with eCl@ss to increase user experience on SEMANTIC master data dictionaries"	"New concept for services"	
Oliver Hillermeier, SAP SE	Gernot Rossi, Siemens AG	Dr. Wilfried Hartmann, BASF SE	
16:55 h Forum I	Forum II	Forum III	
"SPARETECH – Industry 4.0 solution for collaborative spare part management"	"Properties and the Asset Administration Shell as information backbone of Industrie 4.0"	"Data Age/Information Age?"	
Dr. Lukas Biedermann, SpareTech GmbH	Dr. Michael Hoffmeister, FESTO AG & Co. KG	Stefan Willms, morphe*	
17:30 h Forum I			
Short summary of the day			
Thorsten Kroke, Manager eCl@ss head office			
18:30 h Evening event			
Deutsches Sport & Olympia Museum			
Im Zollhafen 1 50678 Köln			

7th eCl@ss CONGRESS

Agenda - Second conference day - 19th September 2019

9:30 h Welcome Coffee			
10:00 h	Forum I	Forum II	Forum III
	"How IOTA enables a trustful zero-cost network for the economy of things"	"Why is it so difficult to be a good person – especially in digital times?"	"eCl@ss and BIM"
	Dominik Schiener, IOTA Foundation Holger Köther, IOTA Foundation	Prof. Dr. Dominik Enste, German Economic Institute (IW)	Dr. Wolfgang Wilkes, FernUniversität in Hagen
10:35 h	Forum I	Forum II	Forum III
	„eCl@ss and IoT – How can eCl@ss enhance value added services?“	"Speed up data standardisation using Machine Learning"	"Symbiosis with eCl@ss - Pain and Pleasure in Using the Standard"
	Dr. Jörg Nagel, Neoception GmbH	Camille Varrot, Hardis Group SAS	Frank Scherenschlich, Class.Ing Christian Terporten, 3M
11:05 h Coffee Break & Networking			
11:30 h	Forum I	Forum II	Forum III
	"Global Material Master Data Consolidation in Automotive Industry"	"Data Sovereignty and Interoperability in Business Ecosystems"	"Automated Master Data Management: Achieving consistent Master Data creation and classification using the cloud"
	Christoph Schilling, Hella KGaA Hueck & Co	Prof. Dr. Boris Otto, Fraunhofer Institute for Software and Systems Engineering ISST	Paulo Ferreira, D&TS GmbH
12:20 h	Forum I	Forum II	Forum III
	"Accelerated eCl@ss"	"Success Factor Digital Twin - where we are at Weidmüller and where we go"	"Standards like eCl@ss and RDS-PP® in the field of the wind power industry"
	Gerhard Treitinger, BSH Hausgeräte GmbH Nikolaus Ondracek, Paradine GmbH	Gerald Lobermeier, Weidmüller Interface GmbH & Co. KG	Dr. Thomas Eck, VGB PowerTech e.V. Klaus Lorenz, Lorenz Kommunikation
13:00 h Lunch Break & Networking			
14:00 h	Forum I	Forum II	
	"Development of the Segment 34 'Medical device' – from customer requirement to implementation"	"First experiences implementing the eCl@ss workflow"	
	Dr. Oliver Heinemann, Prospitalia GmbH	Dr. Wilfried Hartmann, BASF SE Dr. Klaus Dickmann, Siemens AG	
14:35 h	Forum I	Forum II	
	"Lenze prepares for Industry 4.0 with Stibo Systems"	"eCl@ss and SME: use cases, testbeds and standardization"	
	Karsten Schulze, stibo systems GmbH Dieter Schöneberg, Lenze SE	Dr. Dominik Rohmus, LNI 4.0 e.V.	
15:20 h	Forum I		
	Summary of the day & Goodbye		
	Thorsten Kroke, Manager eCl@ss head office
